Dear Ms. Marconi:

Pursuant to Procedural Order No. 1 dated September 12, 2022, please find enclosed Elexicon’s Responses to the Interrogatories (“IRs”). Elexicon thanks the OEB for its approval of its request to extend the originally set IR filing date and has taken the opportunity to file complete responses to all questions.

Elexicon is responding to the following set of IRs received on:

- September 30, 2022 from Vulnerable Energy Consumers Coalition (“VECC”), and Consumers Council of Canada (“CCC”).
- October 5, 2022 from Environmental Defence (“ED”)

Elexicon has filed redacted versions of attachments 1 and 2 in response to IR, SEC-01. SEC-01 requested Elexicon file all materials presented by Elexicon management to its Board of Directors that relate to the Whitby Smart Grid and Sustainable Brooklin Incremental Capital Module (“ICM”) applications. Elexicon has redacted sections of its Board of Directors reports that do not pertain to either of its two ICM applications.
