Dear Ms. Marconi:

**Re: ERTH Power Incentive Regulation Mechanism (IRM) Application
OEB File Number: EB-2022-0029**

ERTH Power Corporation was rescheduled to file its IRM on November 2, 2022 and are continuing to work through the application to ensure a smooth process of review. As such ERTH Power is requesting an extension to its deadline to Wednesday November 23rd, 2022 at the latest but will file as early as possible to provide OEB staff with enough time to process the application. ERTH Power understands that this delay may cause a delay in approval of its application.

If you have any questions or concerns please do not hesitate to contact me at 519-485-1820 ext 254 or at Graig.Pettit@erthpower.com.

Respectfully,

Graig Pettit
Vice President & General Manager
