Dear Ms. Marconi:

Re: Enbridge Gas Inc. 2024 Rebasing Application (EB-2022-0200) – Filing of Expert Evidence by Ontario Energy Board Staff

This is to inform Enbridge Gas Inc. (Enbridge Gas) and all parties that have applied for intervention status in the above noted proceeding that Ontario Energy Board (OEB) staff intends to engage experts that will review Enbridge Gas's evidence and possibly produce a report in the following areas:

- Overhead Capitalization Policy
- Proposed Depreciation Methodology and Study
- Price Cap Plan – Proposed Parameters including Inflation, Productivity and Stretch Factor
- Capital Structure including proposal for change to Equity Thickness

OEB staff has issued Request for Proposals (RFPs) to engage experts in the above noted areas. Subject to OEB staff's review of the evidence and the responses to the RFPs received, OEB staff may decide to file expert reports as evidence in the proceeding. OEB staff's final determination with respect to the filing of expert reports will be communicated to all parties in its formal letter of intent to file evidence in accordance with the procedural schedule to be established in Procedural Order No. 1.

Yours truly,

Khalil Viraney
Case Manager EB-2022-0200
