Dear Ms. Nanninga:

**Re: EB-2022-0045 Application for 2023 Rates**

The Ontario Energy Board (OEB) provided a draft Decision and Rate Order and a draft Tariff of Rates and Charges in relation to the above-noted proceeding on November 24, 2022. On November 30, 2022, in its comments on the drafts, Enova Power Corp. noted that the Notice of Switch charge listed on Tab 17 in the Rate Generator Model is \$2.23 but that same charge appears on the Tariff of Rates and Charges as \$2.15. The Tariff of Rates and Charges should be updated to \$2.23.

The Notice of Switch charge in the Tariff of Rates and Charges has been updated to \$2.23.

The OEB has now issued a final Decision and Rate Order, together with a final Tariff of Rates and Charges. Copies of these documents are enclosed with this letter.

Yours truly,

Nancy Marconi  
Registrar
