Ms. Nancy Marconi
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, Ontario M4P 1E4

Dear Ms. Marconi:

Re: Elexicon Energy Inc. (“Elexicon”) Application for 2023 Distribution Rates and Incremental Capital funding (“Application”) Ontario Energy Board (“OEB”) File Number: EB-2022-0024 Request for Reschedule

On February 8, 2023, the OEB issued Procedural Order No 4 (“P.O. #4”) in the above-noted proceeding wherein the OEB ordered that a transcribed oral hearing will be held on March 3 and 6, 2023.

Elexicon is appreciative of the OEB’s efforts to expedite this process, however Elexicon’s representatives responsible for the evidence are not available to attend on March 3 and 6. Several members of the witness panel are required to attend overlapping board meetings of Elexicon which will impact the witness panel members’ availability and ability to prepare. These meetings were scheduled several months ago and are expected to continue for the entire day.

Elexicon understands there may be conflicting regulatory proceedings post-March break which may impact the availability of the OEB Panel, OEB Staff and other stakeholders in this proceeding. Elexicon therefore requests that the Oral Hearing be deferred until April. The delay will result in the most efficient and expeditious way to proceed in the circumstances. Elexicon will ensure that the revised public versions of the response to SEC.01 and answers to the OEB panel’s questions are provided by February 13th and 21st, respectively, in accordance with the timelines currently stated in P.O. #4.

We have canvassed schedules and Elexicon representatives would be available to attend full-day oral hearings on the following dates in April:

- April 11-14, 2023; or
- April 24-28, 2023.

Please advise if the OEB requires Elexicon to provide additional dates.

Yours truly,
