Please note, Ottawa River Power Corporation (Ottawa River Power) is responsible for ensuring that all documents it files with the OEB, including responses to OEB staff questions and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Staff Follow-up Question-1

Ref: Staff Question – 7 (i)

In Reference, Ottawa River stated that “Ottawa River Power Corporation has provided the compliance report as an attachment.”

Please advise as to whether or not the matter has been resolved as between ORP and Inspection & Enforcement department and, confirm that the report and any attachments to it can be filed on the record of this proceeding”.

Ottawa River Power Corporation confirms that the matter has been resolved between the corporation and the Inspection & Enforcement department. The Inspection & Enforcement department closed the matter with the expectation that Ottawa River Power Corporation would request disposition of 1588 and 1589 balances in its future applications, however the true-ups and differences have not yet been settled with Hydro One and are expected to in the near future. The report and any attachments are permitted to be filed on the record of this proceeding and do not, to the best of the corporation’s knowledge, contain any personal information as defined in the Freedom of Information and Protection of Privacy Act.
