**RE: Enbridge Gas Inc. (Enbridge Gas)
2024 Rebasing Application
Ontario Energy Board File Number: EB-2022-0200**

The OEB wishes to advise the parties that the Chief Commissioner has appointed Commissioner Emad Elsayed to the hearing panel, to join Commissioners Patrick Moran (presiding) and Allison Duff. Commissioner Anthony Zlahtic is now unable to participate in the hearing and will not continue as a member of the panel. Given the complex nature of the issues, the volume of materials, and the potential length of the hearing, a full panel of three members is needed to make determinations on the substantive issues in the hearing, including a decision on any settlement agreement that is filed.

Yours truly,

Nancy Marconi
Registrar
