re: Amendment to Licence EW-2020-0258

To the Registrar:

On behalf of RWE Clean Energy Services, I am requesting an amendment to our licence, EW-2020-0258 due to our organization's name change.

In October 2022, RWE Renewables Americas (RWERA), one of the leading renewable energy companies in the United States, announced the agreement to acquire the Con Edison Clean Energy Businesses, Inc (CEB), another industry leading renewable energy company. As of March 1, 2023 the integration of the two companies is complete and moving forward RWE Renewables Americas will operate as RWE Clean Energy, a wholly-owned subsidiary of RWE AG (RWE).

- The acquisition will not have any impact on existing contract terms.
- Your contact person, telephone numbers, and mail notification addresses remain unchanged. Email addresses have been updated in the OEB portal.

Please also note that the relevant RWERA and CEB operating companies were effectively renamed as of March 1, 2023 as follows:

RWERA Entities:

Name prior to March 1, 2023	Name as of March 1, 2023
RWE Renewables Americas, LLC	RWE Clean Energy, LLC

CEB Entities:

Name prior to March 1, 2023	Name after March 1, 2023
Con Edison Clean Energy Businesses, Inc.	RWECE Clean Energy, Inc.
Consolidated Edison Energy, Inc.	RWE Clean Energy Wholesale Services, Inc.

Please update your records accordingly and advise if any additional information is needed to effectuate the name change in your records.

The transaction marks a milestone in RWE's growth ambitions in the United States and we are strongly committed to building a sustainable future powered by renewable energy, and we look forward to our future

growth with you as our partner. Please do not hesitate to contact us if you require any additional information.

Best regards,
