**RE: Enbridge Gas Inc. (Enbridge Gas)
2024 Rebasing Application
Ontario Energy Board (OEB) File Number: EB-2022-0200**

OEB staff filed a letter on June 9, 2023, advising that a partial settlement in principle has been reached and the parties are working to finalize a settlement proposal to be filed with the OEB. To assist the OEB and OEB staff in preparing for the hearing, the OEB wants to understand the scope of the settlement reached. Recognizing that the details are being worked on to develop a formal settlement proposal for the OEB's consideration, the OEB would like Enbridge Gas to file a letter by June 13, 2023, that provides a description of the topics that have been settled in principle. The OEB does not require specifics of the settlement reached at this time.

The OEB currently plans to commence the hearing on July 10, 2023, with further details to be provided in a procedural order to be issued in due course. Based on that date, the OEB wants the settlement proposal to be filed no later than June 28, 2023, to allow the OEB sufficient time for review prior to start of the hearing.

Yours truly,

Nancy Marconi
