**Re: The Consumers Council of Canada (CCC) – Cost Claim Filing Extension**

On July 6, 2023, the Ontario Energy Board (OEB) issued its Decision and Order which among other matters, established dates for the filing of cost claims for cost eligible parties.

By letter dated August 8, 2022, CCC requested the OEB accept its cost claim if filed after the August 7, 2023, deadline. CCC explained that the delay in filing was due to being out of town and not having access to the information to file the cost claim.

The OEB grants CCC's request. The OEB has accordingly revised the dates for the filing of cost claims and any objections as shown below:

1. CCC shall submit its cost claim for its participation in the proceeding no later than **August 11, 2023**.
2. Elexicon Energy Inc. shall file with the OEB and forward to all parties any objections to CCC's claimed costs no later than **August 21, 2023**.

All other dates established in the Decision and Order remain unchanged.

Yours truly,

Nancy Marconi
