Dear Ms. Marconi,

EB-2023-0061 – Hydro One Sault Ste. Marie Limited Partnership (“HOSSM”) Leave to Construct Application – Sault #3 Transmission Line Refurbishment Project – Update to Exhibit F-01-01-01

HOSSM is providing unredacted evidence to its leave to construct s.92 Application for the Sault #3 Transmission Line Refurbishment Project, originally submitted June 15, 2023. The specific update relates to the confidentiality request for the System Impact Assessment (“SIA”) prepared by the Independent Electricity System Operator (“IESO”), pertaining to evidence provided in Exhibit F, Tab 1, Schedule 1, Attachment 1.

HOSSM respectfully requests the following information contained in the Sault #3 Transmission Line Refurbishment Leave to Construct application to be reviewed pursuant to the Board’s Rules of Practice and Procedure, and consistent with the Board’s Practice Direction on Confidential Filings. Should the Board decide to make the un-redacted version of the SIA available to intervenors, it is requested from the IESO that all intervenors complete and sign a non-disclosure agreement:

Information/ Report / Type	Specific Redactions	Presumptive Confidential Category
1) IESO System Impact Assessment (“SIA”)	Exhibit F, Tab 1, Schedule 1, Attachment 1, Appendices B to D.	Appendices B to D, inclusive, contain confidential information of the IESO, the connection applicant, the transmitter and, potentially, other third parties, including information that, if disclosed, could reasonably be expected to pose a potential security threat to the integrated power system, the IESO administered markets, or those of neighbouring jurisdictions.

An electronic copy of this Updated Exhibit has been submitted using the Board's Regulatory Electronic Submission System.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joanne Richardson', written in a cursive style.
