Dear Ms. Marconi

Re: **East-West Tie Limited Partnership
Updated 2024 Electricity Transmission Rates Application (EB-2023-0298)**

Further to my correspondence of October 10, 2023, Upper Canada Transmission 2 Inc., on behalf of East-West Tie Limited Partnership, has incorporated and filed updated information into the Application materials that were originally filed with the Board on October 10, 2023.

The updated materials are found at Exhibit A Tabs 2-4 as well as a separate Excel "live" workbook that contains spreadsheets of Tables presented in the Application. The updated information is also described at Exhibit A Tab 1 paragraphs 6, 12-14.

Please do not hesitate to contact the undersigned should you have any questions regarding these matters.

Yours very truly,
