

Orangeville Hydro Limited

Application for electricity distribution rates and other charges beginning May 1, 2024

Decision on Issues List November 23, 2023

Orangeville Hydro Limited (Orangeville Hydro) filed a cost of service application with the Ontario Energy Board (OEB) on September 29, 2023 under section 78 of the *Ontario Energy Board Act, 1998*, seeking approval for changes to the rates that Orangeville Hydro charges for electricity distribution, beginning May 1, 2024 (Application). The Application was accepted by the OEB as complete on October 16, 2023, and a Notice of Hearing was issued on October 23, 2023.

On November 13, 2023, the OEB issued Procedural Order No. 1 which approved School Energy Coalition and Vulnerable Energy Consumers Coalition as intervenors in this proceeding. Procedural Order No. 1 also made provision for parties to recommend any revisions to the standard Issues List for electricity distribution rate applications for the OEB's consideration.

OEB staff filed a proposed Issues List on November 17, 2023, in accordance with Procedural Order No. 1. OEB staff's letter indicated that all parties agreed with the standard Issues List proposed. In addition, OEB staff's letter requested that the OEB waive the requirement under rule 26.02(e)(ii) of the *Rules of Practice and Procedure* that interrogatories correspond to the issues list as parties may want to file interrogatories according to the exhibit numbers in the Application.

OEB staff's November 17, 2023 letter also advised that parties may wish to propose additional matters for inclusion on the issues list after the interrogatory responses are received, given the proposed issues list was prepared prior to the interrogatory process.

Findings

The OEB has reviewed the proposed Issues List and approves it for the purposes of this proceeding. The OEB has also considered the request to file interrogatories according to exhibit numbers and approves that request for this proceeding.

The OEB may update the Issues List as necessary to further define the scope of the proceeding.

THE ONTARIO ENERGY BOARD ORDERS THAT:

1. The approved Issues List is attached to this Decision as Schedule A.
