Dear Ms. Marconi:

**Re: East-West Tie Limited Partnership – Updated 2024 Electricity Transmission Rates Application (EB-2023-0298) – Applicant Interrogatory Responses**

We are legal counsel to Upper Canada Transmission 2 Inc. (“**UCT 2**”), on behalf of East-West Tie Limited Partnership (“**Partnership**”), the Applicant in the above-referenced proceedings. In accordance with Procedural Order 3 dated February 12, 2024, please find enclosed an electronic copy of the response provided by UCT 2 to interrogatory number 4 from the School Energy Coalition (“**SEC**”).

UCT 2 has, pursuant to Rule 10 of the Ontario Energy Board’s (OEB) Rules of Practice and Procedure (the “**Rules**”) and the OEB’s Practice Direction on Confidential Filings dated December 17, 2021 (the “**Practice Direction**”), requested confidential treatment of certain information contained in its response to SEC-4:

<b>Response and the information for which confidential treatment is being requested</b>	<b>Rationale</b>
<b>SEC I-05-04</b>	Information pertaining to the Return On Equity (“ <b>ROE</b> ”) for the East-West Tie Limited Partnership for fiscal year end 2023 is commercially sensitive information that could be used in the hands of competitors to prejudice the Applicant.

An electronic copy of this response has been submitted using the OEB’s Regulatory Electronic Submission System.

Yours truly,

**McCarthy Tétrault LLP**
