Dear Ms. Benincasa,

EB-2023-0030 – Hydro One Networks Inc. Application for 2024 Distribution Rates and EB-2023-0059 – Hydro One Networks Inc. 2024 Rate Application for the areas formerly served by Orillia Power Distribution Corporation and Peterborough Distribution Inc. – Settlement Conference

At the preliminary meeting on February 13, 2024, OEB staff proposed consolidating the proceedings for Hydro One Distribution (EB-2023-0030) and Hydro One's Orillia & Peterborough Rate Zones (EB-2023-0059) for the balance of these applications. Hydro One has no objection to consolidating these applications provided that the Settlement Proposal (and forthcoming OEB decision) clearly distinguish between any specific terms (or findings) that may apply to each entity.

Sincerely,

A handwritten signature in black ink that reads "Elise Andrey". The signature is written in a cursive, flowing style.
