Dear Ms. Marconi:

RE: Algoma Power Inc. (API) 2025 Cost of Service Application, EB-2024-0007

We are writing in response to Procedural Order No. 1 to advise the OEB that a tentative agreement has been reached on all issues in the Proceeding which the OEB deemed eligible for settlement, as per the Decision on Issues List issued August 2, 2024.

The parties have agreed to work together to draft a settlement proposal and anticipate that it will be filed on or before the new deadline for filing a settlement agreement, which we understand will be determined in Procedural Order No. 2.

If you have any questions or concerns please do not hesitate to contact me.

Yours truly,

Oana Stefan
