Dear Ms. Coban:

Re: **Toronto Hydro-Electric system Limited (Toronto Hydro)
2025-2029 Custom Rate Application for Electricity Distribution Rates and
Charges – Letter Requesting Hybrid Technical Conference and Oral Hearing
OEB File Number: EB-2023-0195**

On March 21, 2024, Toronto Hydro requested that the Technical Conference and the Oral Hearing be a hybrid process (in-person and virtual) in which Toronto Hydro's witnesses will appear in person.

This letter is to confirm that the OEB will proceed with a hybrid Technical Conference and, should it be required, a hybrid Oral Hearing, as part of this proceeding. For both the Technical Conference and Oral Hearing, the OEB's expectation is that all witnesses will appear in-person, unless panel approval has been given otherwise. Any questions relating to this letter should be directed to the Case Manager, Thomas Eminowicz at Thomas.Eminowicz@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
