Dear Ms. Marconi

**Re: EPCOR Natural Gas Limited Partnership (“ENGLP”)
EB-2024-0139: 2024 Annual Update Annual Update to Gas Supply Plan
Filing Extension Request**

ENGLP is currently scheduled to file its 2024 Annual Update to the Gas Supply Plan April 30, 2024.

ENGLP staff have been working diligently on the application in advance of the deadline, but anticipate that it will be unable to meet the OEB’s deadline. The primary drivers for the delay in are due to the required alignment with ENGLP’s Aylmer Cost of Service filing, along with an unexpected staff absence.

As a result, ENGLP is requesting an extension to its deadline to May 31, 2024. We believe this additional time will lead to a more complete and comprehensive submission.

Sincerely,
