Dear Ms. Marconi,

RE: EB-2023-0053 Tillsonburg Hydro Inc. Cost of Service Rate Application (“COS”) for 2024 Electricity Distribution Charges

Tillsonburg Hydro Inc. submits updated information in support of an application for approval of its Cost of Service rates effective May 1, 2024, as per an OEB conditional letter of completeness dated May 14th, 2024. The following table details the information submitted as required in the conditional letter of completeness.

Item	Filing Requirement Reference	Requirement	Location of Completeness
OM&A	Chapter 2, p. 30	Complete 2-JD with all historical actuals to most recent OEB-approved test year.	Chapter 2 Appendices, 2-JD
Workforce Planning and Employee Compensation	Chapter 2, p. 31	Complete Appendix 2-K with all historical actuals to most recent OEB-approved test year.	Chapter 2 Appendices, 2-K
Telecommunications Entities	Chapter 5, p. 6	Address consultations with telecommunication entities.	Exhibit 2 Rate Base, Section 2.1.11 Telecommunications 1 Entities
Material Investments	Chapter 5, pp. 15-16	Provide information to justify each individual material investment.	Exhibit 2 DSP, Appendix G

This submission includes live versions of the required excel model, and a revised DSP and Exhibit 2, all submitted via the OEB’s RESS filing system. Should you have any questions or require additional information, please do not hesitate to contact the undersigned.

Yours truly,

Graig Pettit
 General Manager
 Tillsonburg Hydro Inc.
