Dear Ms. Marconi:

Re: **Ontario Energy Board (OEB) Staff
Interrogatory Responses for Pacific Economic Group research LLC's
(PEG's) Clearspring Report
Toronto Hydro-Electric System Limited (Toronto Hydro) 2025-2029 Custom
Rate Application for Electricity Distribution Rates and Charges
Ontario Energy Board File Number: EB-2023-0195**

On May 6, 2024, OEB staff filed PEG's report relating to Toronto Hydro's evidence provided by Clearspring Energy Advisors, titled *Statistical Cost Research for THESL's New CIR Plan*. On May 9, 15, and 16, 2024, OEB staff received interrogatories relating to this report.

Responses to these interrogatories accompany this letter. The nature of interrogatory M3-TH-26 is the same as M1-TH-1, which relates to PEG's other filed report. As both reports pertain to the same procurement, there is no additional information to provide. All interrogatory responses were prepared by PEG.

Any questions relating to this letter should be directed to Thomas Eminowicz at Thomas.Eminowicz@oeb.ca.

Yours truly,

Thomas Eminowicz
Senior Advisor

c: All intervenors, Toronto Hydro, Charles Keizer, Arlen Sternberg
