Dear Ms. Marconi,

**Re: EB-2024-0026 Greater Sudbury Hydro Inc 2025 Cost of Service Application**

Greater Sudbury Hydro Inc (GSHI) is currently scheduled to file a Cost of Service Application for May 1<sup>st</sup>, 2025 Electricity Distribution Rates on or before August 31, 2024.

GSHI has been working on its application with the goal of meeting the current filing deadline; however, on reviewing the current state of the application and the elements that require further work and resources from GSHI we do not believe it will be possible to meet the August 31, 2024 deadline. Accordingly, we ask that the current deadline be amended. GSHI respectfully submits that a new deadline of October 31, 2024 would be appropriate, with the caveat that GSHI will file the application earlier than October 31, 2024 if feasible.

If there are any questions with respect to GSHI's request, please contact the undersigned at your convenience.

Sincerely,
