Dear Ms. Marconi

EB-2023-0298 - Upper Canada Transmission 2 Inc. – Rates - Cost Claim Filing Extension

The Consumers Council of Canada is an intervenor in the above-referenced proceeding. Intervenor cost claims were due on June 27, 2024. Over the past several days I have been having technical problems and have been unable to file our cost claim. We are seeking an extension to file our cost claim on Tuesday, July 2. We appreciate the Ontario Energy Board's consideration of this matter and will ensure that our cost claim will be filed by July 2. Thank you.

Yours truly,

Julie E. Girvan
