**Attention: Ms. Nancy Marconi, Registrar**  
**Regarding: EB-2024-0039 2024 Cost of Service Application**

Dear Ms. Marconi,

Lakeland Power Distribution Ltd.(LPDL) is scheduled to file a Cost of Service Rate Application for 2025 Electricity Distribution Rates and remains committed to submitting a complete application that conforms to the most recent filing requirements issued by the Board.

As of today's date, LPDL does not believe it will be in a position to file its 2025 Cost of Service Application by the August 30, 2024 deadline. LPDL has encountered a number of delays while preparing its application including a new audit group and key managerial retirements.

In order to submit a thorough application, LPDL will continue to work diligently to submit the application on or before October 31, 2024.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "D. Bechtel".
