Dear Ms. O'Connell :

**EB-2024-0063 – Generic Proceeding – Cost of Capital and Other Matters  
OEB Staff Objection to Confidentiality Request**

We write in response to OEB Staff's letter dated August 30, 2024, and the School Energy Coalition's ("**SEC**") letter dated September 3, 2024 which object to the OEA's confidentiality request made on August 23, 2024.

OPG continues to consider its position with respect to staff and SEC's objection to the OEA's confidentiality request. OPG is also discussing the matter with the Canadian Infrastructure Bank.

Accordingly, OPG requires further time to adequately respond to the objections. We will file a formal reply by no later than the end of this week.

Yours truly,
