Dear Ms. Marconi,

Re: Centre Wellington Hydro Ltd. ("CWH") Application for 2025 Electricity Distribution Rates
Ontario Energy Board ("OEB") File No. EB-2024-0012

On August 22, 2024, CWH informed the OEB that, following the August 19-22, 2024 settlement conference, CWH and the parties are working towards filing a complete settlement proposal on all issues by September 11, 2024.

On September 11, 2024 CWH wrote the OEB requesting an extension of the deadline to file a complete settlement to September 20, 2024, and the OEB granted the requested extension through Procedural Order No. 2 issued September 11, 2024.

While the parties continue to work diligently to finalize a complete settlement proposal, we all agree that additional time is required to do so. Accordingly, CWH is requesting an extension on behalf of all the parties until September 30, 2024, to submit the full settlement proposal with the OEB. CWH and the parties will endeavor to submit the settlement proposal prior to this date if possible.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink that reads "Heather Dowling".
