Nancy Marconi  
Registrar  
Ontario Energy Board  
2300 Yonge Street, 27<sup>th</sup> Floor  
Toronto, ON M4P 1E4

Dear Ms. Marconi:

**Re: Toronto Hydro-Electric System Limited (Toronto Hydro or THESL)  
2025-2029 Custom Rate Application for Electricity Distribution Rates  
Ontario Energy Board (OEB) File Number: EB-2023-0195**

On May 6, 2024, OEB staff filed Pacific Economic Group Research LLC's (PEG's) report titled *Statistical Cost Research for THESL's New CIR Plan*. On May 23, 2024, OEB staff filed PEG's responses to interrogatories from Toronto Hydro and Intervenors relating to this report.

Through the course of preparing these interrogatory responses, PEG identified a calculation error.<sup>1</sup> In the Interrogatory Response, PEG provided updated results, noting that there was minimal change to the results. OEB staff is submitting an updated *Statistical Cost Research for THESL's New CIR Plan* report prepared by PEG that reflects these corrections. The corrections are identified by black-line sidebars.

Any questions relating to this letter should be directed to Thomas Eminowicz at [Thomas.Eminowicz@oeb.ca](mailto:Thomas.Eminowicz@oeb.ca).

Thank you,

Thomas Eminowicz  
Senior Advisor

c: All intervenors, Toronto Hydro, Charles Keizer, Arlen Sternberg
