

AMPCO/IGUA Response to Undertaking J6.1

Reference

EB-2024-0063 Oral Hearing, October 10, 2024 transcript, p. 131

Undertaking

To confirm the number of companies in the proxy group, following application of Undertakings.

Response

Dr. Cleary confirms the number of companies in his Canadian sample would be two after removing utilities with any material amounts of regulated generation and utilities that derive 10 percent or more of their operating income from unregulated operations.
