Dear Ms. Marconi,

**Re: EB-2024-0239 - Application by EPCOR Natural Gas Limited Partnership
("ENGLP") for a Limited Certificate of Public Convenience and Necessity, pursuant to
section 8 of the Municipal Franchises Act – Affidavits of Service**

As directed in the OEB's November 15 letter of direction, please find enclosed two copies of ENGLP's affidavits of service. One (marked CONFIDENTIAL) contains confidential personal information in Exhibit "B". The second (marked REDACTED) has removed this information from Exhibit "B". Accordingly, ENGLP requests that Exhibit B be treated as confidential pursuant to section 5.3.1 and Appendix A of the Practice Direction on Confidential Filings (the "Practice Direction").

ENGLP's confirms that the documents filed do not include any other personal information (as that phrase is defined in the Freedom of Information and Protection of Privacy Act), that is not otherwise redacted in accordance with rule 9A of the OEB's Rules of Practice and Procedure (as noted above).

Sincerely,

Tim Hesselink, CPA
