Dear Ms. Marconi,

**Re: EB-2024-0239 - Application by EPCOR Natural Gas Limited Partnership
("ENGLP") for a Limited Certificate of Public Convenience and Necessity, pursuant to
section 8 of the Municipal Franchises Act – Redacted Application**

It has been brought to our attention that the current redacted version of ENGLP's application (*EB-2024-0239 - ENGLP Limited CPCN Application (Redacted)_20240815*) has a security shortfall that could potentially allow a user to view redacted information included in the file.

Can you please replace the current file located on RESS with this updated version? No content changes have been made to the file.

Sincerely,

Tim Hesselink, CPA
