Dear Ms. Marconi, Registrar

Re: Hydro Hawkesbury Inc, Application for 2025 Electricity Distribution Rates- File No. EB-2024-0031

Hydro Hawkesbury Inc. (HHI) applied to the Ontario Energy Board (OEB) on August 6, 2024, for updated electricity rates effective January 1, 2025. The OEB approved the Issues List on October 21, 2024 (the Approved Issues List). HHI filed its information commitments with the OEB on November 4, 2024, and a Settlement Conference, involving VECC and OEB Staff, was held on November 19, 2024.

On November 20, 2024, HHI informed the Ontario Energy Board (OEB) that, following the settlement conference, HHI and the participating parties were actively working towards submitting a comprehensive settlement proposal addressing all issues by December 9, 2024.

The parties have agreed that additional time is necessary to finalize the written settlement proposal. Consequently, HHI, is requesting an extension until December 19, 2024, to file the complete settlement proposal with the OEB.

Please note that HHI and the parties are committed to submitting the proposal at the earliest possible date within this extended timeline.

Should you have any questions or require further clarification, please do not hesitate to contact me directly.

Yours very truly,
