Dear Jim Hogan:

**Re: EB-2024-0015 Application for 2025 Distribution Rates**

The Ontario Energy Board (OEB) is in receipt of E.L.K. Energy Inc.'s (E.L.K. Energy) January 22, 2025 letter requesting an extension to the deadline for the filing of interrogatory responses.

Procedural Order No. 1 (PO#1), issued on December 9, 2024, established January 22, 2025, as the deadline for E.L.K. Energy to file responses to interrogatories. In its letter, E.L.K. Energy requests an extension to January 27, 2025 to ensure that all interrogatories are properly addressed and any consequential changes to the underlying models are properly made.

The OEB approves the extension of the deadline to file responses to interrogatories to January 27, 2025. All other dates established in PO#1 remain the same.

Yours truly,

Nancy Marconi  
Registrar
