Dear Ms. Marconi

**Re: E.L.K. Energy Inc. (“E.L.K.”) Application for Electricity Distribution Rates and Other Charges Effective May 1, 2025 (EB-2024-0015) (the “Application”)
48 Hour Letter**

On December 9, 2024, the Ontario Energy Board (“OEB”) issued Procedural Order No. 1 (“**PO1**”) setting out the process for the Application. PO1 made provision for a half-day settlement conference for two issues E.L.K. is seeking to correct that were subject of the settlement proposal approved by the OEB in the 2022 cost of service application (the “**2022 COS Issues**”).

We write on behalf of our client, E.L.K., in response to PO1 to advise the OEB that a tentative agreement has been reached on the 2022 COS Issues. The parties have agreed to work together to draft a settlement proposal.

If you have any questions or concerns, please do not hesitate to contact me.

Best regards,

BORDEN LADNER GERVAIS LLP
