Dear Elizabeth Wong:

The Ontario Energy Board (OEB) received Bullfrog Power's application for an electricity wholesaler and electricity retailer licences on January 7, 2025. The OEB has assigned file number EB-2025-0061 and EB-2025-0062 to the licence applications.

Upon preliminary review of the application, OEB staff has determined it to be incomplete. Accordingly, please be advised that the application cannot be processed until the following missing information is filed:

1. Section 11(a): Corporate Organization

Please submit a corporate organization chart that outlines the applicant, its parent, and any associated affiliates of the applicant.

The OEB will process the application after the noted information is filed with the Registrar at registrar@oeb.ca. Please submit both an electronic Word version and an electronically signed, searchable PDF. If the above information is not filed within 30 days of the date of this letter, the OEB may close the file for this application.

Please note, Bullfrog Power is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting

documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions to Natasha Gocool, Advisor, Transmission Policy & Compliance at natasha.gocool@oeb.ca. Please refer to the OEB file number noted above in all future correspondence to the OEB regarding your application.

Yours truly,
