Dear Ms. Marconi:

**Re: EB-2019-0207 - Distribution System Capacity Information Map – Phase 1
Implementation**

In the Ontario Energy Board letter, dated October 17, 2024, licensed electricity distributors were expected to post, to their website, Phase 1 capacity information maps using their existing systems by March 3, 2025.

Due to an unforeseen, out of country, family emergency for a critical staff member, Halton Hills Hydro Inc. will not meet the March 3, 2025 implementation date. Halton Hills Hydro Inc. expects to have the capacity information maps posted to its website by Friday, March 7, 2025. A confirmation letter will be sent to the Ontario Energy Board on Friday, March 7, 2025 confirming the completion of the Phase 1 implementation. In the interim, customers are still able to contact our Engineering Department to inquire about capacity options.

In the event of any additional information, questions or concerns, please contact Tracy Rehberg-Rawlingson, Regulatory Affairs Officer, at tracyr@haltonhillshydro.com or (519) 853-3700 extension 257.

Sincerely,

Tracy Rehberg-Rawlingson
