Dear Ms. Marconi:

Re: EB-2024-0309 – NT Power DVA Application – SEC Participation

We are counsel to the School Energy Coalition (“SEC”). SEC writes to inform the OEB and Newmarket-Tay Power Distribution Ltd. (“NT Power”) that it intends to participate in the proceeding. SEC was granted intervenor status and cost eligibility in NT Power’s 2024 rate application (EB-2023-0039).

SEC only recently became aware of the Notice of Hearing and Procedural Order No. 1 and was therefore unable to meet the March 5th deadline. It does not appear that SEC was served a copy. We note that there is no prejudice resulting from our late notification, as we do not seek any changes to the schedule.

Yours very truly,
Shepherd Rubenstein P.C.
