Dear Ms. Marconi:

RE: EB-2024-0309 – NT Power DVA Application – VECC Participation

VECC writes to inform the OEB and Newmarket-Tay Power Distribution Ltd. (“NT Power”) that it intends to participate in the proceeding. VECC was granted intervenor status and cost eligibility in NT Power’s 2024 rate application (EB-2023-0039).

VECC only recently became aware of the Notice of Hearing and Procedural Order No. 1 and was therefore unable to meet the March 5th deadline. It does not appear that VECC was served a copy. VECC does not seek any changes to the schedule.

Yours truly,

A handwritten signature in cursive script that reads 'Shelby Grace'. The signature is written in a dark ink and is positioned below the 'Yours truly,' text.
