FYI. This will also be e-filed with the OEB later in the day.

As communicated in my first e-mail on November 5th, London Hydro will provide \$1,000 to each of the 6 registered intervenors from the EB-2021-0041 proceeding for their participation in this process. If you send me your invoice, I will make sure that you are paid.

Thanks again for the time that you spent on this. Much appreciated.
