Re: Erie Thames Powerlines 2009 3rd Generation IRM Rate Filing

Dear Ms. Walli,

Erie Thames Powerlines will not be filing an Application for 3rd Generation IRM rates until a Rate Order is issued for its 2008 COS Application EB-2007-0928. Erie Thames Powerlines received its Decision and Order for this Application on October 27th, 2008 and is working to prepare a draft Rate Order to provide to The Board for Approval. Once the Rate Order for EB-2007-0928 is approved Erie Thames Powerlines will be in a position to file an Application for its 2009 3rd Generation IRM rates.

Should you have any questions concerning this matter please do not hesitate to contact the undersigned.

Sincerely,

Chris White
