DECISION AND ORDER

Bullfrog Power Inc. (Bullfrog) filed two complete applications on February 26, 2025, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for a renewal of its electricity retailer licence ER-2020-0088 and electricity wholesaler licence EW-2020-0089, which are set to expire on May 6, 2025.

The OEB combined the applications into one proceeding, under section 21(5) of the OEB Act. This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the applications without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the applications and assessing the technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the applications and issue an electricity retailer licence and an electricity wholesaler licence to Bullfrog Power Inc.

IT IS ORDERED THAT:

1. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an electricity wholesaler licence is granted, on such conditions as are contained in the attached licence.
