Dear Elissar El-Hage:

**Re: Toronto Hydro-Electric System Limited (THESL)
Application for Non-Wires Solution Incentive
OEB File Number: EB-2026-0129**

Further to the Ontario Energy Board's (OEB) acknowledgment letter dated April 14, 2026, the OEB has completed its preliminary review of your **Non-Wires Solution Incentive Mechanism** application and will now commence the processing of your application. The next steps will be communicated in due course.

Pursuant to Chapter 1 of the [OEB's Filing Requirements For Electricity Distribution Rate Applications](#), THESL has confirmed that the documents it has filed in support of the above referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted.

THESL is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to the Case Manager Stephanie Cheng, at 416-544-5165 or stephanie.cheng@oeb.ca.

Yours truly,

Ritchie Murray
Registrar
