## Issues:

Pollution Probe represents a consumer and policy interest related to Toronto Hydro's 2026 Non-Wires Solutions Incentive Application. Pollution Probe was a participant and party to the settlement agreement for the 2025-2029 Custom Rates Application, which included planning for non-wires solutions over the rate term. This application pertains to a proposed incentive related to the non-wires solutions.

## Policy Interests:

Please see above.

## Hearings:

It is recommended that the OEB determine the final format following the publishing of interrogatory responses.

## Evidence:

Pollution Probe does not intend to commission expert evidence at this time. However, Pollution Probe may provide relevant materials to the OEB during the proceeding. No specific approvals are required to enable this approach.

## **Coordination with Other Intervenors:**

Pollution Probe has been an active and valuable participant in OEB proceedings and will continue to coordinate its activities with impacted consumers, intervenors and other parties as appropriate.

## **Cost Awards:**

Pollution Probe respectfully requests your acceptance of this intervenor request and confirmation that it will be eligible for its costs. Pollution Probe is a not-for-profit charitable organization. We receive individual donations as well as funding for consumer and research projects. Without the prospect of an award of costs, Pollution Probe's ability to participate in this proceeding would not be possible.
