To the Ontario Energy Board,

I am a resident of Toronto and a customer of Toronto Hydro. I am writing to provide my input on application EB-2026-0129.

I am concerned about the proposed 25% Margin-on-Payments incentive rate. I do not believe it is fair for customers to pay extra bonuses to a utility company for programs that should already be part of their regular service. Please protect consumers from unnecessary rate increases.

Thank you,

Omolade Adebisi
