Ontario Energy Board, Re: EB-2026-0129

I am a Toronto Hydro residential customer and I oppose the proposed 25% Margin-on-Payments incentive without performance conditions. A 25% bonus paid by ratepayers is excessive compared to other jurisdictions, and there is no penalty or refund if Non-Wires Solutions fail to deliver the promised grid benefits. I request the OEB reduce the incentive rate, require performance metrics, and consider an oral hearing for transparency.
