Dear Ms. Walli,

**Subject: Comments on the Proposed Amendments to the Distribution System Code
(Board File Number EB-2007-0709)**

On behalf of Dairy Farmers of Ontario, I am pleased to endorse in its entirety the Proposed Amendments to the Distribution System Code (Board File Number EB-2007-0709).

The accompanying report was very well researched and written. It was particularly refreshing that you incorporated all parties' comments in your working report.

I also wish to restate that Dairy Farmers of Ontario is interested in being part of the process. We, as an organization, are prepared to participate in communicating prevention measures and solutions to the producers most affected by the stray voltage issue, the dairy farmers of Ontario.

Sincerely,

Guy Séguin, P. Eng.
